

Honolulu Community College

Funding Request Form¹

<p>A. UH System/UHCC System: Strategic Outcome #4 Globally Competitive Workforce: Address critical workforce shortages and prepare students (undergraduate, graduate, and professionals) to be leaders in a globally competitive economy.</p>																																																	
<p>B. HCC Strategy: Expand and Enhance Existing Program</p>																																																	
<p>C. College Mission: Serve the Pacific Rim as the primary technical training center in areas such as transportation, information technology, education, communications, construction and public and personal services.</p>																																																	
<p>D. Program Mission: The Diesel Mechanics Technology program's mission is to serve the community as a learning centered, open door program that provides technical training to meet the demands of the diesel mechanics industry and the needs of the individual. An open-exit option allows the students to identify their career objectives and participate in program exploration.</p>																																																	
<p>E. Program Review: This year's annual program review revealed the need to ...</p>
