FINANCIAL AID

Fall payment instructions for students receiving financial aid from the University of Hawai‘i (www.honolulu.hawaii.edu/finaid)

Students awarded financial aid before the tuition payment deadline will have their classes held. If awarded financial aid, the student’s aid will be credited to their student account no sooner than 10 days before the first day of each semester. Please refer to the “What You Should Know About Your 2016-2017 Financial Aid Award Offer” document for details. Per Federal regulations, Federal Financial Aid Awards can only pay for the student’s home campus’ tuition, student activity fees, and publications fees. Honolulu Community College students must pay on their own, any tuition and fees incurred for courses registered at another campus.

Once aid is credited to a student account, the funds will be applied to all applicable tuition and fees. If there is a balance after applying the aid to all applicable tuition and fees, the remaining fund will be refunded to the student by check. Checks are mailed via U.S. Postal Service. As an option, students can have their refunds electronically deposited into a designated account by signing up for an eRefund. To sign up for an eRefund, go to the MyUH Portal website and click on “sign up for eRefund.”

Mailing Address for Refund Checks:
To ensure that refund checks are mailed to the correct address, students need to update their current mailing address online through MyUH Portal as all refund checks will be mailed to the address in the following priority:
1. Mailing Address
2. Permanent Address (if Mailing Address is null or expired)

Students who do not plan to attend Honolulu CC must notify the Financial Aid Office in writing AND drop all courses before the first day of the semester. Students who fail to do so will be liable for any charges incurred and will be responsible for any financial aid disbursed including funds refunded to the student.

- Students withdrawing completely before the first day of the semester will need to return all aid disbursed by the University.
- Students withdrawing completely on or after the first day of the semester should refer to the “What You Should Know About Your 2016-2017 Financial Aid Award Offer” for additional information.
- Students should check their financial aid status for any missing documents that may delay financial aid by logging on to MyUH Portal, then selecting Financial Aid.
