Chapter 1606 Reserve/National Guard Application Process

1a. Never Attended College or Never Used Benefit Previously
If you have never attended college or if you have never used your benefit previously then fill out VA form 22-1990 (Application for VA Education Benefits).

1b. Transferred From another Institution
Or if you have attended a previous institution and used VA while there, you will need to fill out VA form 22-1995 (Request for Change of Program of Place of Training).

- Both forms can be obtained and submitted via the VA website at www.benefits.va.gov/gibill. To get to these forms simply click on the Education and Training tab, click on the About GI Bill tab, and finally click on the Handouts and Forms tab. When you scroll down the page you will soon see both VA forms 22-1990 and 22-1995.
- Or you can come to the Records Office at Honolulu Community College and obtain these forms. If you choose to come in to fill out the forms you will submit them directly to the School Certifying Official at the Records Office. The certifying official will then make a copy of the form for your file and submit the original to VA Muskogee.

2. Notice of Basic Eligibility (NOBE)
You will need to obtain a NOBE from your unit. The purpose of the NOBE is to indicate the date in which you are eligible to receive VA benefits. Submit a copy of your NOBE to the School Certifying Official at the Records Office.

3. Apply to Honolulu Community College
Please see instructions on how to apply on our website at: http://www.honolulu.hawaii.edu/admissions.

4. Registration
To receive full VA benefits it is recommended that you register as a full time student (12 credits) and these courses can be taught in class, online, or via cable. Chapter 1606 students, do not receive tuition, BAH, or a book stipend. Instead they are given a stipend directly from the VA and the VA determines the amount of the stipend not the school.

5. Certification
Once you have completed the registration process you are required to meet with a counselor who will certify your classes by filling out an Academic Counselor Review Form and indicating on the form that your classes are pertinent to your degree. Please remember that the certification process must be completed every time a student adds/drops a course.

6. School Certifying Official
The certification form is then given to the School Certifying Official at the Records Office to process. If you are a new student, the certifying official will also ask you to fill out a green responsibility statement form at this time. Once the form is processed an email will be sent to you notifying you that the information has been transmitted to VA Muskogee.

7. VA Muskogee
Should you want to know the status of your certification or when you will be paid or how much you will be paid, you can contact VA Muskogee (1-888-442-4551) 5 days after receiving your confirmation email. VA Muskogee can provide you with the amount of BAH and book stipend you will be receiving. The amount of money you receive often depends on how many credits you are taking.
8. Enrollment Verification
Almost everyone receiving Chapter 1606 benefits must verify their enrollment each month to receive payment for that month. Your enrollment can be verified starting on the last calendar day of the month by using the Web Automated Verification of Enrollment (WAVE) at https://www.gibill.va.gov/wave. If you have further questions about this please call 1-888-442-4551 (Press 1, then 2, then 0 to speak with a VA representative).
