Chapter 33 Post 9/11 DEPENDENT Application Process

1. **Transfer Benefits to Dependent**
   Military members need to get into the VA website at [http://www.benefits.va.gov/gibill/](http://www.benefits.va.gov/gibill/) and transfer their educational benefits to their dependents at least two years prior to getting out of the military.

2a. **Never Attended College or Never Used Benefit Previously**
   If you (the dependent) have never attended college or if you have never used your benefit previously then fill out VA form 22-1990E (Application for Family Members to Use Transferred Benefits).

2b. **Transfer**
   Or if you (the dependent) have attended a previous institution and used VA while there, you will need to fill out VA form 22-1995 (Request for Change of Program or Place of Training).
   - Both forms can be obtained and submitted via the VA website at [www.benefits.va.gov/gibill](http://www.benefits.va.gov/gibill). To get to these forms simply click on the Education and Training tab, click on the About GI Bill tab, and finally click on the Handouts and Forms tab. When you scroll down the page you will soon see VA form 22-1995. To get to VA Form 22-1990E you must also click on the post 9/11 GI Bill box on the top right of that page and then scroll down to the Transfer of Entitlement Option. Click on that link and scroll down to the transfer process where you should see the appropriate link.
   - Or you can come to the Records Office at Honolulu Community College and obtain these forms. If you choose to come in to fill out the forms you will submit them directly to the School Certifying Official at the Records Office. The certifying official will then make a copy of the form for your file and submit the original to VA Muskogee.

3. **Certificate of Eligibility (COE)**
   Once VA Muskogee processes your application they will send you a Certificate of Eligibility (COE). The COE is a document that indicates the percentage of money you will receive toward your BAH, book stipend, tuition, etc. **Submit a copy of your COE to the School Certifying Official at the Records Office.**
   *It may take up to four weeks for the VA to process your application.*

4. **Apply to Honolulu Community College**
   Please see instructions on how to apply on our website at: [http://www.honolulu.hawaii.edu/admissions](http://www.honolulu.hawaii.edu/admissions).

5. **Registration**
   You must register for a minimum of seven credits each semester if you want BAH and these courses can be taught in class, online, or via cable. To receive full VA benefits it is recommended that you register as a full time student (12 credits). Remember that if you are planning to take online courses, you must take at least one face-to-face course in order to be eligible for your benefits.

6. **Certification**
   Once you have completed the registration process you are required to meet with a counselor who will certify your classes by filling out an Academic Counselor Review Form and indicating on the form that your classes are pertinent to your degree. Please remember that the certification process must be completed every time a student adds/drops a course.

7. **School Certifying Official**
   The certification form is then given to the School Certifying Official at the Records Office to process. You will also need to complete the Post 9/11 GI Bill Tuition & Fees Benefit Agreement. If you are a new student the certifying official will also ask you to fill out a green responsibility statement form at this time. Once the form is processed an email will be sent to you notifying you that the information has been transmitted to VA Muskogee.
