**Guide to Hawaii Voyager**

**Hawaii Voyager** is the name of the UH libraries online catalog. The catalog allows you to search for books and other materials (DVDs, CDs, etc.). There are also over 40,000 e-books (electronic books) searchable through the Hawaii Voyager catalog. This guide will help you find books at the HCC Library.

### Accessing Hawaii Voyager

Go to the library’s homepage - [http://honolulu.hawaii.edu/library/](http://honolulu.hawaii.edu/library/)

Under Research Tools, click **Find Books and Media**

Enter your keyword(s) in the **Basic Search** box and click the Search button.

Searches will automatically limit results to locate items available in the HCC Library.

You may also select to search by Title, Author, Subject, etc.

The results page will indicate how many records were located.

Click on the title to open and display the full record details.

Check the box to print, email, or add to list.
Citation information is available from the full record view:
- Title
- Author
- Publisher & Date

Subjects (also called subject headings) tell you what the book is about.

You may need to scroll down the page to view the book's location information.
- Location
- Call Number
- Status

Other Useful Features:
- Get This Item - request books from other UH campus libraries
- Print/Save
- Email

- Make use of social bookmarking sites

Renew your books online!
From the My Account tab, login and renew books without having to visit or telephone the library.

Example:
Check the box next to the item you want to renew and click "Renew Items."
(Some items cannot be renewed so be sure to check the DUE DATE column after clicking the "Renew Items" button.)
