QUICK FACTS

BRIEF PROGRAM DESCRIPTION/GOALS:
The Administration of Justice program provides students with an understanding of the workings of the criminal justice system including the scientific study of law enforcement, the court system, and corrections or private security. Students will learn causes and effects of crime and delinquency, law enforcement procedures such as securing a crime scene, gathering evidence and providing testimony, and balance of individual rights with the protection of society.

DEGREES THAT CAN BE EARNED:
Associate in Applied Science (AAS)

WHAT IS UNIQUE ABOUT THE PROGRAM:
• Faculty members have real life experiences as FBI agents, police officers, and attorneys.
• Students network and learn from classmates who work in various law enforcement positions: police officer, deputy sheriff, military police, corrections officer, and security officers.
• Articulation agreements with universities in Hawai’i for smooth transfer to a bachelor degree in AJ and/or related topics.

ITEMIZED ESTIMATE OF EDUCATIONAL COSTS:
• Tuition based on total credits taken.
• Books approximately $400 per semester.

PROGRAM PREREQUISITES:
Check the College catalog or the program webpage for the most current program prerequisites.
