

APPLIED TRADES

STATE OF HAWAII AND FEDERALLY APPROVED APPRENTICESHIP PROGRAMS (EXCEPT PHNSY):

Persons who have completed all the “work process hours” and “related instruction” necessary for journey worker status in their respective trades will receive up to 45 credits for this training. These credits will apply toward the “Major courses” requirements of the Honolulu Community College Associate in Applied Science degree and Certificate of Achievement in Applied Trades. Credits will be granted for apprenticeship hours as follows:

Five (5) credits will be awarded for each 144–160 hour segment of related classroom instruction.

Seven (7) credits will be awarded for each 2000 hour segment of work process.

A minimum of 15 general education credits which are distributed among specific groups of courses including Communications, Quantitative and Logical Reasoning, and three other course clusters are also required.

Persons completing apprenticeship programs of less than four years in duration will need to take additional recommended courses to meet the minimum 60 credit requirement for this degree.
