Setting Up Your My UH Account, Paying Your Tuition and Checking Your Grades Online

Follow these step-by-step instructions to set up your MyUH Account, pay your tuition online, and/or view your grades.

1. Log on to HCC’s website at www.honolulu.hawaii.edu. The page may not look exactly as pictured.

2. Click on “Student Services”. This will reveal lists of services and resources.

3. Click on “MyUH Services”. This is how you will access the forms to create your username, password and email address. This is also how you will log onto MyUH after creating your account.
4. You should now see the following screen. Use the search bar and type in “Username” and press Enter on your keyboard.

5. These are the results that should appear. Click “Get/Manage your UH Username”.
6. A new tab will open to this page. Click on “Get a UH Username!”

7. Enter the requested information. Use the Tab (not Enter) key or the mouse to move from box to box. Click the “Check Status” bar after all of the required information has been entered.

8. After submitting the requested information, a choice of UH usernames will appear. Choose one or type in one of your own and write it down. Your username is also used in your hawaii.edu e-mail address. For example, John Doe’s username might be JDOE. Therefore, his UH e-mail address would be: JDOE@hawaii.edu.

9. You will next have to select and answer two Secret Questions. If you forget your password in the future, correct responses to these questions will be required to reset your password. Pick questions that you will be easily able to answer in the future.
10. Once you have selected and provided answers to your Secret Questions, you will need to create a password. Read the Password Selection Tips and carefully follow all of the listed Password Requirements. Please write down your password and keep it in a safe place.

11. After obtaining your USERNAME and PASSWORD, you can now log on to the MyUH portal. Go back to HCC’s homepage at www.honolulu.hawaii.edu and click MyUH. Enter your Username and Password to access your personal account. Spend some time exploring this site. You can now access your grades, print a list of classes that you’ve completed and so on. Don’t forget to logout of your account whenever you’re done to prevent others from accessing your information.

TO PAY YOUR TUITION USING A CREDIT OR DEBIT CARD:

1. Follow Steps 1 and 2 above.
2. Sign in with your UH Username and password.

4. Click on the “Pay Tuition and Fees” icon.
