

This is a school. All work is done by students. The work is not guaranteed. No refunds or re-do's can be given.

If you are going to receive a service, please make arrangements for your children. We would like for you and others around you to relax and enjoy your time here with us. Our students find children irresistible and they distract the student from concentration on their assigned tasks.

Mahalo!

Services are being performed by students under the supervision of a licensed instructor. Students, instructors, or the University of Hawai'i will not be held responsible for the results of these services.

The Honolulu Community College Cosmetology Department has the right to refuse to perform services if it determines that the condition of the hair, nails, skin, or health requires specialized treatment by a medical professional.
