**Please Note:** Students are eligible for a roll over request for over a span of two years. HonCC must have been the student's last home campus. We look at both the student's last term of acceptance and/or the student's last term of registration. If a student's last record was inactivated in the system, the student will need to resubmit another online application. The fall term application deadline is August 1, and the spring term application deadline is December 15. Please ask about summer term deadlines. THE ONLY EXCEPTION TO A ROLL BACK is from fall term to the summer term prior.
