

Honolulu Community College
Health and Safety Policy

Health & Safety Responsibilities for Students

All students must follow the general health and safety rules and specific safety rules applicable to their academic areas.

All HonCC students shall:

- Follow HonCC health and safety rules and work according to standard shop/lab practices.
- Report hazardous conditions or unsafe work practices to the instructor.
- Use protective equipment, tools, and machinery as they are assigned.
- Report all accidents, injuries or exposures to hazardous substances to the instructor as soon as possible.
