**Can take at other UH community colleges*

Information & Computer Science Notes

- Calculus 2 is a pre-req for ICS 311.
- The B.A. in Information and Computer Science requires successful completion of language proficiency through the 202 level. Your HSL requirements can be partially or fully fulfilled at HCC.
- For career information on the computer science field please visit: www.bls.gov
- ICS requires 3 lower division Writing Intensive (WI) courses, get a head start and take them at HCC while fulfilling your AA degree.
- There is an option to focus on Security Science (SecSci) or Information & Technology (IT) within the B.A. in Information and Computer Science program that requires slightly different coursework. Please discuss your interest in these focus areas with the department advisor.

Mānoa Transfer Coordination Center strives to create accurate transfer guides for students; however, requirements may change without notice. Students are responsible for working with an advisor at both their community college and UH Mānoa to ensure that their academic plan will meet requirements and timelines.
