Please Note: Students are eligible for a roll over request for over a span of two years, **from 2016 only**, moving forward. HonCC must have been the student's last home campus. We look at both the student's last year of acceptance and/or the student's last year of registration. If a student's record is inactivated in the system for any reason, the student will need to resubmit another online application. The fall term deadline is August 1, and spring term is December 15. Please ask about summer term deadlines. THERE ARE NO ROLL BACKS.
