Who is C.A.R.E.?

The C.A.R.E. office provides support to all HonCC students in helping them achieve their academic and personal goals.

We know that obstacles may arise during the semester and we are here to support and guide students to overcome these barriers.

Looking for extra credit opportunities for your students?

We are excited to share with you that we are offering several study skill lessons focused on student success topics such as:

- **Habits to Success**
- **Study Hacks**
- **Effective Memory Techniques**
- **How to Ace your Next Test**

Each of these lessons have been created in-house by our own CARE faculty & staff and requires the student to watch a video, and answer questions to check for understanding. Each lesson is approximately **1 hour long**. Question formats are multiple choice and short
answer prompts.

If you are interested in learning more about Study Hacks for your students, please contact Ina at inamc@hawaii.edu for more information.
