VETERANS BENEFITS
The U.S. Department of Veterans Affairs approves applications and makes decisions about eligibility, payments and issuance of checks. Each campus Veterans Affairs Certifying Official is responsible for certifying and monitoring veterans’ enrollment, academic progress, and other academic information, and can be reached at the Records Office (808) 847-9833. Students using VA Education benefits must see an academic counselor each term to validate their program courses and complete the Enrollment Certification Request Form (ECRF). Visit the U.S. Department of Veterans Affairs website http://www.gibill.va.gov/ for more information.

FINANCIAL AID
SPRING payment instructions for students receiving financial aid from the University of Hawai’i (www.honolulu.hawaii.edu/finaid) If awarded financial aid, the student’s aid will be credited to their student account no sooner than 10 days before the first day of the semester. Please refer to the Financial Aid Award & Policies webpage.
Per Federal regulations, Federal Financial Aid Awards can only pay for the student’s home campus’ tuition, student activity fees, and publications fees. Honolulu Community College students must pay on their own, any tuition and fees incurred for courses registered at another campus.

Once aid is credited to a student account, the funds will be applied to all applicable charges. After applicable charges are paid, any remaining funds will be refunded to the student by check. Students are responsible for any unpaid charges.

E-Refund
As an option, students can have their refunds electronically deposited into a designated account by signing up for an eRefund. To sign up for an eRefund, go to the MyUH Services website and click on “Enroll in Direct Deposit eRefunds.”

Students who do not plan to attend Honolulu CC must notify the Financial Aid Office in writing AND drop all courses before the first day of the semester. Students who fail to do so will be liable for any charges incurred and will be responsible for any financial aid disbursed including funds refunded to the student.

It is committed to a policy of non-discrimination on the basis of race, sex, gender identity and expression, age, religion, color, national origin, ancestry, disability, marital status, sex and court record, sexual orientation, or status as a covered veteran.
