Welcome to Honolulu Community College!

Congratulations on your acceptance to our campus! We look forward to assisting you with your academic needs. In order to acclimate with our campus, we require online orientation. Orientation can be accessed here on our website: www.honolulu.hawaii.edu/welcome

Orientation is MANDATORY...

Orientation and Registration are MANDATORY steps. You must complete the online orientation on our website: www.honolulu.hawaii.edu/welcome

How does this work?

Our orientation process is designed to give you an overview of our campus, our services, and important areas that will help you succeed as a student on our campus. You will be able to refer to our orientation site throughout your academic career at Honolulu Community College.

What’s important to know?

My UHPortal is the official communication system of the University of Hawaii Campuses. It is very important for you to become familiar with MyUH Portal, as it will be used for registration and all important notifications from our campus. To access your portal, you will need to create a UH Username and Password.

If you haven’t applied for financial aid, or have questions about paying for college, our online orientation will lead you to the necessary access points.

Prior to registration, you will need to complete the COMPASS Placement Test. All courses require placement into an English or Math level. This test is very important as it will ultimately determine where you start in college, and how long it will take you to complete your degree requirements.

What about registration?

You will need to complete your orientation online in order to proceed to registration. Registration is the actual selection of your courses. This step is very important, and it’s beneficial to register early, since you will be able to select and prepare for your courses sooner. Don’t wait... early preparation is key to your success.

Pre-Registration Information

In order to proceed to registration, orientation must be completed successfully. To complete orientation, you will need to do the following:

• Submit your Health Clearances
• Take your COMPASS Placement Test
• Know how you will be paying for college
• Know your daily schedule
• Familiarize yourself with college terms such as prerequisite, co-requisite, and recommended prep
• Turn in any required documents for your major
• Know your MyUH Username and Password

Orientation & Registration
Frequently Asked Questions…

What if I don’t have a computer, or online access?
Please call our Outreach Office for information and assistance. Our goal is to make our campus and the orientation process as easily accessible as possible. Our Outreach Office can be contacted at 844-2309.

What classes do I need to take for my major?
Information about your major can be found on our website here: www.honolulu.hawaii.edu/counseling

I don’t know what to do, who can I contact for help?
Please call our Outreach Office for information and assistance. They can be reached at 844-2309.

I’m not familiar with your campus, how do I get information about it, and can I see the campus before I start school there?
A campus tour will be part of your on campus registration experience. If you would like a tour of our campus, prior to registration, call the Outreach Office to arrange a campus tour.

I’ve registered for classes, now what?
Remember, payment by the deadline is important to insure that you will retain your course schedule. Failure to pay by the deadline, may result in your courses being dropped. If you have financial aid, please be sure to check your MyUH Portal for information.

How do I get my books, parking, and student ID?
Books can be purchased at our campus bookstore, please bring your current class schedule with you. Parking information can be found on our website. Student IDs can be obtained after tuition and fee payments are completed. All the information you need can be found here on our Services for Students page: www.honolulu.hawaii.edu/services
