Hi, just a reminder that you're receiving this email because you have expressed an interest in Nan Inc. Don't forget to add jbarfield@nanhawaii.com to your address book so we'll be sure to land in your inbox!

You may unsubscribe if you no longer wish to receive our emails.

Aloha everyone!
First off, we at Nan, Inc. want to give a heartfelt salute to our veterans, past and present. In honor of the upcoming Veterans Day, Monday November 11th, we will not be working. Our utility work will continue on Tuesday as part of the City Center Utilities Relocation for the Honolulu Rail project.

For our utility relocation, day work will include electrical relocation activities on Kamehameha Highway between Middle Street and Puuhale Road. We will also be working on Kona and Piikoi streets near Ala Moana Center.

Nan, Inc.'s overnight work will take place in various areas of Dillingham Blvd. between Puuhale Rd. and Kaaahi St. We will also continue our utilities removal work on Nimitz Highway.

See below for details.

Thank you to those of you who took the time out to attend our business and community meeting. It was great to see all of you there. Your questions and feedback are greatly appreciated!

This e-blast and our other communication efforts are part of our commitment to keep the community informed about the City Center Utilities Relocation project. It is a privilege to be working in your neighborhood.

Thank you for your time and attention, and have a fun and safe Halloween!

Sincerely,
Nan, Inc.
City Center Utilities Relocation Team

CITY CENTER UTILITIES RELOCATION

Week of November 11th, 2019
