Transitioning to college is a big step for our students.

To help pave the way for success, we are offering short workshops designed to motivate students to pursue higher education.

Workshops can be offered in-person, via classrooms or college fairs on our campus or yours.

Please contact our Outreach Office for more information and assistance.

What We Have to Offer

Consists of a 30-45 minute presentation highlighting the many attributes of Honolulu CC. Information regarding programs of study, costs of attendance, student support services, and unique qualities of Honolulu CC will be covered.

Admissions Process

Consists of a 20-30 minute presentation, detailing the admissions processes. Students will learn how to properly complete an application and know what documents are needed to fulfill the application process for our campus.

Why College?

Consists of a 40-50 minute presentation explaining why college is important and what the benefits are of attending an institution of higher education. This presentation is interactive.
Placement Testing
Consists of a 30-45 minute presentation explaining the importance of the COMPASS placement test requirement. The information will help students learn where to find information to properly prepare for the test, and explain what the scores mean for Honolulu CC.

Got Money?
Consists of a 40-50 minute presentation explaining the benefits of completing financial aid and scholarship applications. This workshop will cover important information about the FAFSA and other common scholarship applications.

Registration Prep
Will include individualized meetings with schools and students newly admitted to Honolulu CC. Detailed information regarding the enrollment process and the students’ needs will be the focus of this workshop.

‘Ohana Connect
Consists of a 40-50 minute presentation focusing on the expectations of families whose student is attending Honolulu CC. Families will become familiar with student support services and information systems available as well as FERPA.

Campus Tours
We also do Campus tours as requested. Tours are geared toward your groups needs and interests. Duration of the campus tours are approximately 20-30 minutes with an opportunity for Q&A.
