FINANCIAL AID

SPRING payment instructions for students receiving financial aid from the University of Hawai'i (www.honolulu.hawaii.edu/finaid)

Students awarded financial aid before the tuition payment deadline will have their classes held. If awarded financial aid, the student's aid will be credited to their student account no sooner than 10 days before the first day of each semester. Please refer to the Financial Aid Award & Policies webpage.

Per Federal regulations, Federal Financial Aid Awards can only pay for the student's home campus' tuition, student activity fees, and publications fees. Honolulu Community College students must pay on their own, any tuition and fees incurred for courses registered at another campus.

Once aid is credited to a student account, the funds will be applied to all applicable tuition and fees. If there is a balance after applying the aid to all applicable tuition and fees, the remaining fund will be refunded to the student by check. Checks are mailed via U.S. Postal Service.

To ensure that refund checks are mailed to the correct address, students need to update their current mailing address online through MyUH Services as all refund checks will be mailed to the address in the following priority:

1. Mailing Address
2. Permanent Address (if Mailing Address is null or expired).
Note: Permanent address corrections must be submitted in writing to the Honolulu Community College Records Office.

E-Refund

As an option, students can have their refunds electronically deposited into a designated account by signing up for an eRefund. To sign up for an eRefund, go to the MyUH Services website and click on "Enroll in Direct Deposit eRefunds."

Students who do not plan to attend Honolulu CC must notify the Financial Aid Office in writing AND drop all courses before the first day of the semester. Students who fail to do so will be liable for any charges incurred and will be responsible for any financial aid disbursed including funds refunded to the student.
