

HONCC TRASH TO TREASURES PROJECT FORM v1

RULES

Our objective is to demonstrate the useful purpose or aesthetic potential of items usually discarded by re-purposing that material so it doesn't go straight to the garbage can or the dump (landfill or incinerator).

- Principle material(s) must be those usually wasted thrown away.
- Re-purposed items created must have a functional use **or** be artistic in nature.
- Projects should demonstrate good planning and quality workmanship.
- Projects can be submitted by an individual or group (e.g. department or student club)
